

# West Virginia Investment Management Board

## 2022 Schedule of Investment Performance

September 20, 2022

Board of Trustees  
West Virginia Investment Management Board

We have conducted a performance audit of the accompanying Schedule of Investment Performance (the, "Schedule") of the individual investment pools operated by the West Virginia Investment Management Board (WVIMB). The audit was conducted in accordance with Chapter 12, Article 6, Section 6 of the *West Virginia Code*, as amended, for the year ending June 30, 2022.

Our examination included such testing, as we believed adequate, to verify that the performance information provided in the Schedule has been prepared and fairly presented in accordance with the Performance Presentation Standards as detailed in the footnotes to the Schedule.

This Schedule is the responsibility of WVIMB's management. Our responsibility is to express an opinion on the Schedule based on our audit.

In our opinion, the Schedule referred to above presents fairly, in all material respects, the performance of the individual investment pools as of June 30, 2022, in conformity with the Performance Presentation Standards as detailed in the footnotes to the Schedule.

Yours Sincerely,

**Justin Hatley**  
Director | Portfolio Analytics  
Verus

**Schedule of Investment Performance - Final  
West Virginia Investment Management Board  
For the Period July 1, 2021 to June 30, 2022**

**Schedule of Investment Performance - Final  
West Virginia Investment Management Board  
For the Period July 1, 2021 to June 30, 2022**

**Note 1**

This report represents the performance returns of the West Virginia Investment Management Board (IMB). It is prepared to comply with *West Virginia Code § 12-6-6(d)*, and is intended solely as an attestation of the returns for the periods indicated. For a more in depth discussion of the investment pools and participant plans, including returns for additional time periods, please refer to the IMB's annual report which may be requested directly from the IMB at 500 Virginia Street East, Suite 200, Charleston, WV 25301 or on the web at [www.wvimb.org](http://www.wvimb.org).

**Note 2**

The Total Rate of Return for the trust accounts and the investment pools is calculated using the Modified Dietz time weighted rate of return method. The Modified Dietz method weights each cash flow by the amount of time it is held in the portfolio. The formula for the Modified Dietz method is:

$$\text{RDIETZ} = \frac{\text{MVE} - \text{MVB} - \text{F}}{\text{MVB} + \text{FW}}$$

**Note 3**

The monthly money market yield represents the rate of income, net of expenses, earned during the respective month. The return is annualized over a 365-day or 366-day year, assuming no reinvestment of earnings.
